FOR IMMEDIATE RELEASE  
May 1<sup>st</sup> 2010

## **SILVER ANNIVERSARY CELEBRATIONS**

Whitespace Software is 25 years young and is celebrating this at the Airmic Conference in Manchester on their Claimsuite stand.

To celebrate this Silver Jubilee, Whitespace and the Claimsuite Team will be offering Airmic attendees a birthday goodie bag, filled with all the essentials of the best party bags of 25 years ago. One lucky winner will also find a voucher to choose an animal to sponsor at London Zoo. The choice of animals ranges from Aardvarks to Meerkats.

Andrew Sedcole, Managing Director of Whitespace Software, said - "The theme of the conference is 'Influencing Outcomes' and as a company that is what our software has enabled many organisations around the world to achieve. It seems fitting therefore that we celebrate with some of those clients and friends at the show."

~ MORE ~

Come to Airmic Stand 51 and see if you can guess what other momentous events also began in 1985 - the year of the first mobile phone call in the UK and the launch of the first ever Windows software.

**End**
